**IN RE: PEREGRINE SYSTEMS, INC.,
SECURITIES LITIGATION**

MDL No. 1889

TRANSFER ORDER

Before the entire Panel*: Defendant Arthur Andersen LLP and the New Jersey plaintiff have jointly moved, pursuant to 28 U.S.C. § 1407, to centralize this litigation for coordinated or consolidated pretrial proceedings in the Southern District of California. No party has responded to the motion.

This litigation presently consists of 35 actions listed on Schedule A and pending in two districts as follows: 34 actions in the Southern District of California and one action in the District of New Jersey.

After considering the argument of counsel, we find that the actions in this litigation involve common questions of fact, and that centralization under Section 1407 in the Southern District of California will serve the convenience of the parties and witnesses and promote the just and efficient conduct of the litigation. All actions share factual questions arising out of alleged misrepresentations or omissions relating to improper accounting practices at Peregrine Systems, Inc., between 2000-02. Centralization under Section 1407 will eliminate duplicative discovery; avoid inconsistent pretrial rulings; and conserve the resources of the parties, their counsel and the judiciary.

We further find that the Southern District of California is an appropriate transferee district for this litigation, because (1) 34 of the 35 actions are already pending there, (2) relevant documents and witnesses are likely in proximity to Peregrine Systems, Inc.'s former headquarters in San Diego, California, and (3) the Section 1407 motion proposing selection of this district is unopposed.
