

1           2.       Pursuant to and in full compliance with Rule 23 of the Federal Rules of Civil  
2 Procedure, this Court hereby finds and concludes that due and adequate notice, including  
3 individual mailed notice to all members of the Class and Subclasses who could be identified  
4 through reasonable effort, was directed to all persons and entities who are Class and Subclass  
5 Members, advising them of the application for an award of attorneys' fees and reimbursement of  
6 expenses and of their right to object thereto, and a full and fair opportunity was accorded to all  
7 such persons and entities to be heard with respect to the application for an award of attorneys'  
8 fees and reimbursement of expenses. No objections to the fee and expense application have been  
9 submitted.

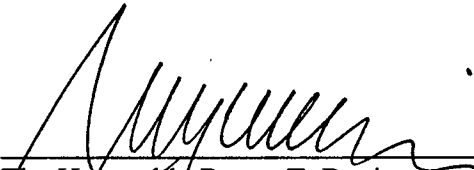

10           3.       The Lead Plaintiffs have recovered a total of \$61,166,301 in connection with  
11 settlements that came before this Court on October 16, 2009. The Court hereby awards Lead  
12 Counsel attorneys' fees of 20% of these Settlement Funds or \$12,233,260, together with interest  
13 earned thereon for the same time period and at the same rate as that earned on the Settlement  
14 Funds until paid. The Court finds that the amount of fees awarded is fair and reasonable under  
15 the "percentage-of-recovery" method.

16           4.       The Court further awards reimbursement of expenses in the amount of  
17 \$179,741.33 together with interest earned thereon for the same time period and at the same rate  
18 as that earned on the Settlement Funds until paid.

19           5.       The awarded attorneys fees and expenses, and interest earned thereon, shall be  
20 paid to Lead Counsel from the Settlement Funds in accordance with all terms, conditions, and  
21 obligations of the respective Stipulations of Settlement.
