

EXHIBIT A-1

inclusive (“Class Period”), you purchased or otherwise acquired the publicly traded common stock of Fiat Chrysler Automobiles N.V. (“FCA” or the “Company”) on a U.S. Exchange or in a transaction in the United States.^{2 3}

NOTICE OF SETTLEMENT: Please also be advised that the Court-appointed Class Representatives Gary Koopmann, Timothy Kidd and Victor Pirnik (“Plaintiffs”), on behalf of themselves and the Class (as defined in ¶12 below), have reached a proposed settlement of the Action with Defendants Fiat Chrysler Automobiles N.V. (“FCA”), FCA US LLC (“FCA US”), Ronald Iseli and Alessandro Baldi, as co-executors for the estate of Sergio Marchionne (“Marchionne” and the “Estate of Marchionne”), Scott Kunselman (“Kunselman”), Michael Dahl (“Dahl”), Steve Mazure (“Mazure”) and Robert E. Lee (“Lee”; collectively, the “Defendants”) for \$110 million in cash that, if approved, will resolve all claims in the Action (“Settlement”).

PLEASE READ THIS NOTICE CAREFULLY. This Notice explains important rights you may have, including the possible receipt of cash from the Settlement. If you are a member of the Class, your legal rights will be affected whether or not you act.

If you have any questions about this Notice, the proposed Settlement, or your eligibility to participate in the Settlement, please DO NOT contact the Court, the Defendants in the Action or their counsel. All questions should be directed to Class Counsel or the Claims Administrator (see ¶56 below).

Additional information about the Settlement is available on the website, www.FiatChryslerSecuritiesLitigation.com.

1. **Description of the Action and the Class:** This Notice relates to a proposed Settlement of claims in a pending putative securities class action brought by investors alleging, among other things, that Defendants violated the federal securities laws by making false and misleading statements and omissions. A more

² This includes purchases of FCA common stock executed on a U.S. exchange or U.S. alternative trading system. FCA common stock was also listed on Italy’s national stock exchange in Milan during the Class Period and traded under the ticker symbol “FCA.” However, purchases of FCA common stock on a non-U.S. stock exchange are not included in the Settlement.

³ Additional information concerning which purchases and acquisitions of FCA common stock are included in the Settlement is located herein at Appendix A, Plaintiffs’ Proposed Plan of Allocation, “INSTRUCTIONS APPLICABLE TO ALL CLAIMANTS.”

detailed description of the Action is set forth in ¶11 below. The proposed Settlement, if approved by the Court, will settle claims of the Class, as defined in ¶12 below.

2. **Statement of the Class's Recovery:** Subject to Court approval, Plaintiffs, on behalf of themselves and the Class, have agreed to settle the Action in exchange for a settlement payment of \$110 million in cash ("Settlement Amount") to be deposited into an escrow account. The Net Settlement Fund (*i.e.*, the Settlement Amount plus any and all interest earned thereon ("Settlement Fund") less (i) any Taxes and Tax Expenses; (ii) any Notice and Administration Costs; (iii) any Litigation Expenses awarded by the Court; and (iv) any attorneys' fees awarded by the Court) will be distributed in accordance with a plan of allocation approved by the Court, which will determine how the Net Settlement Fund shall be allocated among members of the Class. Plaintiffs' proposed plan of allocation ("Plan of Allocation") is attached hereto as Appendix A.

3. **Estimate of Average Amount of Recovery Per Share:** Based on Plaintiffs' damages expert's estimate of the number of shares of FCA common stock purchased or otherwise acquired on a U.S. Exchange or in a transaction in the United States during the Class Period that may have been affected by the conduct at issue in the Action, and assuming that all Class Members elect to participate in the Settlement, the estimated average recovery (before the deduction of any Court-approved fees, expenses, and costs as described herein) per eligible share is approximately \$0.26. **Class Members should note, however, that the foregoing average recovery per eligible share is only an estimate.** Some Class Members may recover more or less than this estimated amount depending on, among other factors: (i) when and the price at which they purchased/acquired shares of FCA common stock on a U.S. Exchange or in a transaction in the United States; (ii) whether they sold their shares of FCA common stock and, if so, when and the price at which they sold their shares; (iii) the total number and value of valid Claims submitted; (iv) the amount of Notice and Administration Costs; and (v) the amount of attorneys' fees and Litigation Expenses awarded by the Court. Distributions to Class Members will be made based on the Plan of Allocation attached hereto as Appendix A or such other plan of allocation as may be ordered by the Court.

4. **Average Amount of Damages Per Share:** The Parties do not agree on the average amount of damages per share of FCA common stock that would be recoverable if Plaintiffs were to prevail in the Action. Among other things, Defendants do not agree with the assertion that they violated the federal securities

laws or that any damages were suffered by any members of the Class as a result of their conduct.

5. **Attorneys' Fees and Expenses Sought:** Court-appointed Class Counsel, Pomerantz LLP and The Rosen Law Firm, P.A., have not received any payment of attorneys' fees for their representation of the Class in the Action and have advanced the funds to pay expenses incurred to prosecute this Action with the expectation that if they were successful in recovering money for the Class, they would receive fees and be paid for their expenses from the Settlement Fund, as is customary in this type of litigation. Class Counsel will apply to the Court for an award of attorneys' fees in an amount not to exceed 30% of the Settlement Fund. In addition, Class Counsel will apply for reimbursement of Litigation Expenses incurred in connection with the institution, prosecution, and resolution of the claims against Defendants, in an amount not to exceed \$2,800,000, which amount may include a request for reimbursement of the reasonable costs and expenses incurred by Plaintiffs directly related to their representation of the Class in accordance with 15 U.S.C. §78u-4(a)(4), in an aggregate amount not to exceed \$45,000, which will be included as part of the \$2,800,000 total amount of Litigation Expenses sought. Any fees and expenses awarded by the Court will be paid from the Settlement Fund. Class Members are not personally liable for any such fees or expenses. The Settlement does not include an endorsement by Defendants of any application submitted by Class Counsel for an award of attorneys' fees and/or Litigation Expenses. The estimated average cost per eligible share of FCA common stock, if the Court approves Class Counsel's fee and expense application, is approximately \$0.09 per share. **Please note that this amount is only an estimate.**

6. **Identification of Attorneys' Representatives:** Plaintiffs and the Class are represented by Jeremy A. Lieberman, Esq. of Pomerantz LLP, 600 Third Avenue, 20th Floor, New York, NY 10016, 1-212-661-1100, jalieberman@pomlaw.com and Laurence M. Rosen, Esq. of The Rosen Law Firm, P.A., 275 Madison Avenue, 34th Floor, New York, NY 10016, 1-212-686-1060, lrosen@rosenlegal.com. Further information regarding the Action, the Settlement, and this Notice may be obtained by contacting Class Counsel or the Court-appointed Claims Administrator at: *Fiat Chrysler Automobiles Securities Litigation Settlement*, c/o Epiq Class Action & Claims Solutions, Inc., P.O. Box 5270, Portland, OR 97208-5270, 1-877-568-3518, info@FiatChryslerSecuritiesLitigation.com, www.FiatChryslerSecuritiesLitigation.com.

7. **Reasons for the Settlement:** Plaintiffs' principal reason for entering into the Settlement is the immediate cash benefit for the Class without the risk or the delays and costs inherent in further litigation. Moreover, the cash benefit provided under the Settlement must be considered against the risk that a smaller recovery – or indeed no recovery at all – might be achieved after contested motions, a trial of the Action, and the likely appeals that would follow a trial. This process could be expected to last several years. Defendants, who deny all allegations of wrongdoing or liability whatsoever, have determined that it is desirable and beneficial to them that the Action be settled in the manner and upon the terms and conditions of the Settlement.

YOUR LEGAL RIGHTS AND OPTIONS IN THE SETTLEMENT:	
<p>SUBMIT A CLAIM FORM ONLINE OR POSTMARKED NO LATER THAN _____, 2019.</p>	<p>This is the only way to be eligible to receive a payment from the Settlement Fund. If you are a Class Member and you remain in the Class, you will be bound by the Settlement as approved by the Court and you will give up any Released Plaintiffs' Claims (defined in ¶21 below) that you have against Defendants and the other Defendants' Releasees (defined in ¶22 below), so it is in your interest to submit a Claim Form.</p>
<p>EXCLUDE YOURSELF FROM THE CLASS BY SUBMITTING A WRITTEN REQUEST FOR EXCLUSION SO THAT IT IS RECEIVED NO LATER THAN _____, 2019.</p>	<p>Get no payment. If you exclude yourself from the Class, you will not be eligible to receive any payment from the Settlement Fund. This is the only option that allows you to ever be part of any other lawsuit against the Defendants concerning the claims that were, or could have been, asserted in this Action. It is also the <i>only</i> way for Class Members to remove themselves from the Class. If you are considering excluding yourself from the Class, please note that there is a risk that any new claims asserted against the Defendants may no longer be timely and would be time-barred. See ¶43 below.</p>

<p>OBJECT TO THE SETTLEMENT BY SUBMITTING A WRITTEN OBJECTION SO THAT IT IS RECEIVED NO LATER THAN _____, 2019.</p>	<p>If you do not like the proposed Settlement, the proposed Plan of Allocation, or the requested attorneys’ fees and Litigation Expenses, you may write to the Court and explain why you do not like them. In order to object, you must remain a member of the Class, may not exclude yourself, and you will be bound by the Court’s determinations</p>
<p>GO TO A HEARING ON _____, 2019 AT __: __.M., AND FILE A NOTICE OF INTENTION TO APPEAR SO THAT IT IS RECEIVED NO LATER THAN _____, 2019.</p>	<p>If you have filed a written objection and wish to appear at the hearing, you must also file a notice of intention to appear by _____, 2019, which allows you to speak in Court, at the discretion of the Court, about the fairness of the Settlement, the Plan of Allocation, and/or the request for attorneys’ fees and Litigation Expenses. If you submit a written objection, you may (but you do not have to) attend the hearing.</p>
<p>DO NOTHING.</p>	<p>If you are a member of the Class and you do not submit a valid Claim Form, you will not be eligible to receive any payment from the Settlement Fund. You will, however, remain a member of the Class, which means that you give up your right to sue about the claims that are resolved by the Settlement and you will be bound by any judgments or orders entered by the Court in the Action.</p>

These rights and options – and the deadlines to exercise them – are further explained in this Notice. Please Note: The date and time of the Settlement Fairness Hearing – currently scheduled for _____, 2019 at __: __.m. – is subject to change without further notice to the Class. If you plan to attend the hearing, you should check the website www.FiatChryslerSecuritiesLitigation.com or with Class Counsel as set forth above to confirm that no change to the date and/or time of the hearing has been made.

Proposed Plan of Allocation of Net Settlement Fund Among Authorized Claimants	Appendix A

WHY DID I GET THIS NOTICE?

8. The Court directed that this Notice be mailed to you because you or someone in your family or an investment account for which you serve as a custodian may have purchased or otherwise acquired FCA common stock on a U.S. Exchange or in a transaction in the United States during the Class Period. The Court has directed us to send you this Notice because, as a potential Class Member, you have a right to know about your options before the Court rules on the proposed Settlement. Additionally, you have the right to understand how this class action lawsuit may generally affect your legal rights. If the Court approves the Settlement and the Plan of Allocation (or some other plan of allocation), the Claims Administrator selected by Plaintiffs and approved by the Court will make payments pursuant to the Settlement after any objections and appeals are resolved.

9. The purpose of this Notice is to inform you of the existence of this case, that it is a class action, how you might be affected, and how to exclude yourself from the Class if you wish to do so. It is also being sent to inform you of

the terms of the proposed Settlement, and of a hearing to be held by the Court to consider the fairness, reasonableness, and adequacy of the Settlement, the proposed Plan of Allocation, and Class Counsel's application for an award of attorneys' fees and reimbursement of Litigation Expenses ("Settlement Fairness Hearing"). See ¶ 46 below for details about the Settlement Fairness Hearing, including the date and location of the hearing.

10. The issuance of this Notice is not an expression of any opinion by the Court concerning the merits of any claim in the Action, and the Court still has to decide whether to approve the Settlement. If the Court approves the Settlement and a plan of allocation, then payments to Authorized Claimants will be made after any appeals are resolved and after the completion of all claims processing. Please be patient, as this process can take some time.

WHAT IS THIS CASE ABOUT?

11. The Court in charge of this case, *Pirnik v. Fiat Chrysler Automobiles N.V., et al.*, No. 15-cv-07199-JMF (S.D.N.Y.) (the "Action"), is the United States District Court for the Southern District of New York. The Action is a securities class action brought against FCA and the other Defendants. Plaintiffs allege that, during the Class Period, Defendants violated provisions of the Securities Exchange Act of 1934 ("Exchange Act") by allegedly making material misstatements and/or omissions of material fact in public statements regarding FCA's compliance with vehicle safety and emissions regulations in the United States and elsewhere. The Fourth Amended Complaint For Violations Of The Federal Securities Laws (the "Complaint") alleges that the misstatements or omissions artificially inflated the price of FCA common stock, and that the share price dropped in response to certain subsequent disclosures. Defendants have denied the claims asserted against them in the Action and deny having engaged in any wrongdoing or violation of law of any kind whatsoever.

HOW DO I KNOW IF I AM AFFECTED BY THE SETTLEMENT? WHO IS INCLUDED IN THE CLASS?

12. If you are a member of the Class, you are subject to the Settlement, unless you timely request to be excluded from the Class. The Class certified by the Court consists of:

All persons and entities who purchased or otherwise acquired, on a U.S. Exchange or in a transaction in the United States, FCA common stock between October 13, 2014 and May 23, 2017, both dates inclusive.

Excluded from the Class are Defendants, current and former officers and directors of FCA and FCA US LLC, their Immediate Family members and their legal representatives, heirs, successors or assigns, and any entity in which Defendants have or had a controlling interest. Also excluded from the Class are any persons and entities who or which exclude themselves by submitting a request for exclusion that is accepted by the Court. See “What If I Do Not Want To Be A Member Of The Class? How Do I Exclude Myself,” on page __ below.

PLEASE NOTE: RECEIPT OF THIS NOTICE DOES NOT MEAN THAT YOU ARE A CLASS MEMBER OR THAT YOU WILL BE ENTITLED TO RECEIVE PROCEEDS FROM THE SETTLEMENT.

IF YOU ARE A CLASS MEMBER AND YOU WISH TO BE ELIGIBLE TO PARTICIPATE IN THE DISTRIBUTION OF PROCEEDS FROM THE SETTLEMENT, YOU ARE REQUIRED TO SUBMIT THE CLAIM FORM THAT IS BEING DISTRIBUTED WITH THIS NOTICE AND THE REQUIRED SUPPORTING DOCUMENTATION AS SET FORTH THEREIN POSTMARKED NO LATER THAN _____, 2019.

WHAT ARE PLAINTIFFS’ REASONS FOR THE SETTLEMENT?

13. Plaintiffs and Class Counsel believe that the claims asserted against Defendants have merit; however, they also recognize the substantial risks in continuing to litigate the Action. For example, Defendants have raised a number of arguments and defenses, including that Defendants made no misrepresentations, that the alleged misrepresentations were immaterial as a matter of law and that Plaintiffs would not be able to establish that Defendants acted with the requisite intent. Even assuming Plaintiffs could establish Defendants’ liability, the amount of damages that could be attributed to the allegedly false statements would be hotly contested. Additionally, Plaintiffs and Class Counsel recognize the significant expense and length of continued proceedings necessary to pursue their claims against Defendants through further motion practice, trial, and appeals. Thus, there were very significant risks attendant to the continued prosecution of the Action.

14. In light of these risks, the amount of the Settlement, and the immediacy of recovery to the Class, Plaintiffs and Class Counsel believe that the proposed Settlement is fair, reasonable, and adequate, and in the best interests of the Class. Plaintiffs and Class Counsel believe that the Settlement provides a favorable result for the Class, namely \$110 million in cash (less the various deductions described in this Notice), as compared to the risk that the claims in the Action would produce a smaller, or no, recovery after summary judgment, trial, and appeals, possibly years in the future.

15. Defendants have denied the claims asserted against them in the Action and deny having engaged in any wrongdoing or violation of law of any kind whatsoever. Defendants have agreed to the Settlement to eliminate the burden and expense of continued litigation, and the Settlement may not be construed as an admission of any wrongdoing by Defendants in this or any other action or proceeding.

WHAT MIGHT HAPPEN IF THERE WERE NO SETTLEMENT?

16. If there were no Settlement and Plaintiffs failed to establish any essential legal or factual element of their claims against Defendants, neither Plaintiffs nor the other members of the Class would recover anything from Defendants. Also, if Defendants were successful in proving any of their defenses, either at summary judgment, at trial, or on appeal, the Class could recover substantially less than the amount provided in the Settlement, or nothing at all.

HOW ARE CLASS MEMBERS AFFECTED BY THE ACTION AND THE SETTLEMENT?

17. The law firms of Pomerantz LLP and The Rosen Law Firm, P.A. were appointed to represent all Class Members. These lawyers are called Class Counsel. You will not be separately charged for the services of these lawyers. The Court will determine the amount of Class Counsel's fees and expenses. Any fees and expenses awarded by the Court will be paid from the Settlement Fund. As a Class Member, you are represented by Class Counsel. If you want to be represented by your own lawyer, you may hire one at your own expense. You are not required to retain your own counsel, but if you choose to do so, such counsel must file a notice of appearance on your behalf. See "When And Where Will The Court Decide Whether To Approve The Settlement?," below.

18. If you are a Class Member and do not wish to remain a Class Member, you may exclude yourself from the Class by following the instructions in the section entitled, “What If I Do Not Want To Be A Member Of The Class? How Do I Exclude Myself?,” below.

19. If you are a Class Member and you wish to object to the Settlement, the Plan of Allocation, or Class Counsel’s application for attorneys’ fees and reimbursement of Litigation Expenses, and if you do not exclude yourself from the Class, you may present your objections by following the instructions in the section entitled, “When And Where Will The Court Decide Whether To Approve The Settlement?,” below.

20. If you are a Class Member and you do not exclude yourself from the Class, you will be bound by any orders issued by the Court. If the Settlement is approved, the Court will enter a judgment (“Judgment”). The Judgment will dismiss with prejudice the claims against Defendants and will provide that, upon the Effective Date of the Settlement, Plaintiffs and each of the other Class Members, on behalf of themselves, and their respective heirs, executors, administrators, predecessors, successors, and assigns in their capacities as such, and on behalf of any other person or entity legally entitled to bring Released Plaintiffs’ Claims (as defined in ¶21 below) on behalf of any Class Member, shall be deemed to have, and by operation of law and of the Judgment shall have fully, finally, and forever compromised, settled, released, resolved, relinquished, waived, and discharged each and every Released Plaintiffs’ Claim against the Defendants’ Releasees (as defined in ¶22 below), and shall forever be barred and enjoined from commencing, instituting, maintaining, prosecuting or continuing to prosecute any or all of the Released Plaintiffs’ Claims against any of the Defendants’ Releasees, in this Action or in any other proceeding. This Release shall not apply to any Excluded Plaintiffs’ Claims (as defined in ¶21 below).

21. “Released Plaintiffs’ Claims” means any and all claims, rights, duties, controversies, obligations, demands, actions, debts, sums of money, suits, contracts, agreements, promises, damages, losses, judgments, liabilities, allegations, arguments, and causes of action of every nature and description, whether known claims or Unknown Claims, whether arising under federal, state, local, common, statutory, administrative, or foreign law, or any other law, rule or regulation, at law or in equity, whether class or individual in nature, whether fixed or contingent, whether accrued or unaccrued, whether liquidated or unliquidated, whether matured or unmatured, that Plaintiffs or any other member of the Class (i) asserted in the Action or (ii) could have asserted in any court or forum that arise

out of or are based upon the allegations, transactions, facts, matters or occurrences, representations, or omissions set forth in the complaints filed in the Action and that relate to the purchase, acquisition or ownership of shares of FCA common stock on (and for ownership, shares resulting from a purchase or acquisition on) the New York Stock Exchange or any other securities exchange located in the United States (“U.S. Exchange”) or otherwise in a transaction in the United States during the Class Period. “Released Plaintiffs’ Claims” do not include (i) any claims relating to the enforcement of the Settlement; (ii) any claims asserted in the action *Palazzolo v. Fiat Chrysler Automobiles N.V.*, No. 4:16-cv-12803-LVP-SDD (E.D. Mich.); or (iii) any claims of any person or entity who or which submits a request for exclusion from the Class that is accepted by the Court (“Excluded Plaintiffs’ Claims”).

22. “Defendants’ Releasees” means Defendants, together with their past, present, or future affiliates, divisions, joint ventures, assigns, assignees, direct or indirect parents or subsidiaries, controlling shareholders, successors, predecessors, and entities in which a Defendant has a controlling interest, and each of their past, present, or future officers, directors, agents, employees, partners, members, attorneys, controlling shareholders, advisors, investment advisors, auditors, accountants, insurers (including reinsurers and co-insurers), and Immediate Family members, and the legal representatives, heirs, trusts, trustees, executors, estates, administrators, beneficiaries, successors in interest, or assigns of any of the foregoing. For the avoidance of doubt, Defendants’ Releasees expressly includes Roland Iseli and Alessandro Baldi, as Co-Executors of the Estate of Sergio Marchionne.

23. “Unknown Claims” means any Released Plaintiffs’ Claims which Plaintiffs or any other Class Member does not know or suspect to exist in his, her, or its favor at the time of the release of such claims, and any Released Defendants’ Claims which any Defendant does not know or suspect to exist in his or its favor at the time of the release of such claims. With respect to any and all Released Claims, the Parties stipulate and agree that, upon the Effective Date of the Settlement, Plaintiffs and Defendants shall expressly waive, and each of the Class Members shall be deemed to have, and by operation of the Judgment or the Alternative Judgment, if applicable, shall have, expressly waived, the provisions, rights, and benefits conferred by any law of any state or territory of the United States, or principle of common law or foreign law, which is similar, comparable, or equivalent to California Civil Code §1542, which provides:

A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at

the time of executing the release and that, if known by him or her, would have materially affected his or her settlement with the debtor or released party.

The Parties acknowledge that they may hereafter discover facts in addition to or different from those which he or it or their counsel now knows or believes to be true with respect to the subject matter of the Released Claims, but, upon the Effective Date, Plaintiffs and Defendants shall expressly settle and release, and each of the other Class Members shall be deemed to have, and by operation of the Judgment or the Alternative Judgment, if applicable, shall have, settled and released, any and all Released Claims without regard to the subsequent discovery or existence of such different or additional facts.

24. The Judgment will also provide that, upon the Effective Date of the Settlement, Defendants, on behalf of themselves, and their respective heirs, executors, administrators, predecessors, successors, and assigns in their capacities as such, and on behalf of any other person or entity legally entitled to bring Released Defendants' Claims on behalf of the Defendants, shall be deemed to have, and by operation of law and of the Judgment shall have, fully, finally, and forever compromised, settled, released, resolved, relinquished, waived, and discharged each and every Released Defendants' Claim (as defined in ¶25 below) against the Plaintiffs' Releasees (as defined in ¶26 below), and shall forever be barred and enjoined from commencing, instituting, maintaining, prosecuting or continuing to prosecute any or all of the Released Defendants' Claims against any of the Plaintiffs' Releasees, in this Action or in any other proceeding. This Release shall not apply to any Excluded Defendants' Claims (as defined in ¶25 below).

25. "Released Defendants' Claims" means any and all claims, rights, duties, controversies, obligations, demands, actions, debts, sums of money, suits, contracts, agreements, promises, damages, losses, judgments, liabilities, allegations, arguments, and causes of action of every nature and description, whether known claims or Unknown Claims, whether arising under federal, state, local, common, statutory, administrative, or foreign law, or any other law, rule or regulation, at law or in equity, whether class or individual in nature, whether fixed or contingent, whether accrued or unaccrued, whether liquidated or unliquidated, whether matured or unmatured, that arise out of or relate in any way to the institution, prosecution, or settlement of the claims asserted in the Action. "Released Defendants' Claims" does not include (i) any claims relating to the enforcement of the Settlement; or (ii) any claims against any person or entity who submits a request for exclusion from the Class that is accepted by the Court ("Excluded Defendants' Claims").

26. “Plaintiffs’ Releasees” means (i) Plaintiffs, their attorneys and all other Class Members; (ii) the current and former parents, affiliates, subsidiaries, successors, predecessors, assigns, and assignees of each of the foregoing in (i); and (iii) the current and former officers, directors, Immediate Family members, heirs, trusts, trustees, executors, estates, administrators, beneficiaries, agents, affiliates, insurers, reinsurers, predecessors, successors, assigns, and advisors of each of the persons or entities listed in (i) and (ii), in their capacities as such.

**HOW DO I PARTICIPATE IN THE SETTLEMENT?
WHAT DO I NEED TO DO?**

27. To be eligible for a payment from the proceeds of the Settlement, you must be a member of the Class and you must timely complete and return the Claim Form with adequate supporting documentation *postmarked (if mailed), or submitted online at www.FiatChryslerSecuritiesLitigation.com, no later than _____, 2019*. A Claim Form is included with this Notice, or you may obtain one from the website maintained by the Claims Administrator for the Settlement, www.FiatChryslerSecuritiesLitigation.com, or you may request that a Claim Form be mailed to you by calling the Claims Administrator toll free at 1-877-568-3518, or by e-mailing the Claims Administrator at info@FiatChryslerSecuritiesLitigation.com. You may also submit your Claim online. **Please retain all records of your ownership of and transactions in FCA common stock, as they may be needed to document your Claim.** If you request exclusion from the Class or do not submit a timely and valid Claim Form, you will not be eligible to share in the Net Settlement Fund.

HOW MUCH WILL MY PAYMENT BE?

28. At this time, it is not possible to make any determination as to how much any individual Class Member may receive from the Settlement.

29. Pursuant to the Settlement, Defendants shall pay or cause to be paid \$110 million in cash. The Settlement Amount will be deposited into an escrow account. The Settlement Amount plus any interest earned thereon is referred to as the “Settlement Fund.” If the Settlement is approved by the Court and the Effective Date occurs, the “Net Settlement Fund” (as defined in ¶2 above) will be distributed to Class Members who submit valid Claim Forms, in accordance with the proposed Plan of Allocation or such other plan of allocation as the Court may approve.

30. The Net Settlement Fund will not be distributed unless and until the Court has approved the Settlement and a plan of allocation and that decision is affirmed on appeal (if any) and/or the time for any petition for rehearing, appeal, or review, whether by certiorari or otherwise, has expired.

31. Neither Defendants nor any other person or entity that paid any portion of the Settlement Amount on their behalf are entitled to get back any portion of the Settlement Fund once the Court's order or judgment approving the Settlement becomes Final, including following any appeals. Defendants shall not have any liability, obligation, or responsibility for the administration of the Settlement, the disbursement of the Net Settlement Fund, or the plan of allocation, whether as proposed by Plaintiffs or as approved by the Court.

32. Approval of the Settlement is independent from approval of a plan of allocation. Any determination with respect to a plan of allocation will not affect the Settlement, if approved.

33. Unless the Court otherwise orders, any Class Member who fails to submit a Claim Form postmarked (if mailed), or online, on or before _____, 2019 shall be fully and forever barred from receiving payments pursuant to the Settlement but will in all other respects remain a Class Member and be subject to the provisions of the Stipulation, including the terms of any Judgment entered and the Releases given. This means that each Class Member releases the Released Plaintiffs' Claims (as defined in ¶21 above) against the Defendants' Releasees (as defined in ¶22 above) and will be enjoined and prohibited from filing, prosecuting, or pursuing any of the Released Plaintiffs' Claims against any of the Defendants' Releasees whether or not such Class Member submits a Claim Form.

34. Participants in and beneficiaries of any employee retirement and/or benefit plan ("Employee Plan") should NOT include any information relating to shares of FCA common stock purchased/acquired through an Employee Plan in any Claim Form they submit in this Action. They should include ONLY those eligible shares of FCA common stock purchased/acquired during the Class Period outside of an Employee Plan. Claims based on any Employee Plan(s)' purchases/acquisitions of eligible FCA common stock during the Class Period may be made by the Employee Plan(s)' trustees. To the extent any of the Defendants or any of the other persons or entities excluded from the Class are participants in an Employee Plan(s), such persons or entities shall not receive, either directly or

indirectly, any portion of the recovery that may be obtained from the Settlement by such Employee Plan(s).

35. The Court has reserved jurisdiction to allow, disallow, or adjust on equitable grounds the Claim of any Class Member.

36. Each Claimant shall be deemed to have submitted to the jurisdiction of the Court with respect to his, her, or its Claim Form.

37. Only Class Members, *i.e.*, persons and entities who purchased or otherwise acquired FCA common stock on a U.S. Exchange or in a transaction in the United States during the Class Period, will be eligible to share in the distribution of the Net Settlement Fund. Persons and entities who are excluded from the Class by definition or who exclude themselves from the Class pursuant to an exclusion request will not be eligible to receive a distribution from the Net Settlement Fund and should not submit Claim Forms.

38. Appendix A to this Notice sets forth the Plan of Allocation for allocating the Net Settlement Fund among Authorized Claimants, as proposed by Plaintiffs and Class Counsel. At the Settlement Fairness Hearing, Class Counsel will request the Court approve the Plan of Allocation. The Court may modify the Plan of Allocation, or approve a different plan of allocation, without further notice to the Class.

**WHAT PAYMENT ARE THE ATTORNEYS FOR THE CLASS
SEEKING? HOW WILL THE LAWYERS BE PAID?**

39. Class Counsel have not received any payment for their services in pursuing claims against the Defendants on behalf of the Class, nor have Class Counsel been reimbursed for their out-of-pocket expenses. Before final approval of the Settlement, Class Counsel will apply to the Court for an award of attorneys' fees in an amount not to exceed 30% of the Settlement Fund[, plus interest]. Class Counsel intend to share part of any attorneys' fees awarded by the Court with Bronstein Gerwitz & Grossman LLP and Bragar Eigel & Squire P.C in accordance with their level of contribution to the initiation, prosecution, and resolution of the Actions. Class Counsel also intend to apply for reimbursement of Litigation Expenses in an amount not to exceed \$2,800,000[, plus interest,] which amount may include an application for reimbursement of the reasonable costs and expenses incurred by Plaintiffs directly related to their representation of the Class

in accordance with 15 U.S.C. §78u-4(a)(4), in an aggregate amount not to exceed \$45,000, which will be included as part of the \$2,800,000 total amount of Litigation Expenses sought. The Court will determine the amount of any award of attorneys' fees or reimbursement of Litigation Expenses. Such sums as may be approved by the Court will be paid from the Settlement Fund. Class Members are not personally liable for any such fees or expenses. The Settlement does not include an endorsement by Defendants of any application submitted by Class Counsel for an award of attorneys' fees and/or Litigation Expenses.

WHAT IF I DO NOT WANT TO BE A MEMBER OF THE CLASS? HOW DO I EXCLUDE MYSELF?

40. Each Class Member will be bound by all determinations and judgments in this lawsuit, whether favorable or unfavorable, unless such person or entity mails or delivers a written request for exclusion addressed to: *Fiat Chrysler Automobiles Securities Litigation Settlement*, EXCLUSIONS, c/o Epiq Class Action & Claims Solutions, Inc., P.O. Box 5270, Portland, OR 97208-5270. The request for exclusion must be **received no later than _____, 2019**. You will not be able to exclude yourself from the Class after that date.

41. Each request for exclusion must: (i) state the name, address, and telephone number of the person or entity requesting exclusion, and in the case of entities, the name and telephone number of the appropriate contact person; (ii) state that such person or entity "requests exclusion from the Class in *Pirnik et al. v. Fiat Chrysler Automobiles N.V., et al.*, Case No. 15-cv-07199-JMF"; (iii) state the number of shares of FCA common stock that the person or entity requesting exclusion purchased/acquired between October 13, 2014 and August 21, 2017, inclusive, as well as the dates, number of shares, and prices of each such purchase/acquisition, and whether the purchase/acquisition was made on a U.S. Exchange or otherwise in the United States; (iv) state the number of shares of FCA common stock that the person or entity requesting exclusion sold between October 13, 2014 and August 21, 2017, inclusive, as well as the dates, number of shares, and prices of each such sale; and (v) be signed by the person or entity requesting exclusion or an authorized representative.

42. A request for exclusion shall not be valid and effective unless it provides all the information called for in ¶41 and is received within the time stated above, or is otherwise accepted by the Court.

44. If you ask to be excluded from the Class, you will not be eligible to receive any payment out of the Net Settlement Fund.

APPENDIX A

Plaintiffs' Proposed Plan of Allocation of Net Settlement Fund Among Authorized Claimants

Plaintiffs' Plan of Allocation is a matter separate and apart from the proposed Settlement, and any decision by the Court concerning the Plan of Allocation shall not affect the validity or finality of the proposed Settlement. The Court may approve the Plan of Allocation proposed by Plaintiffs with or without modifications agreed to among the parties, or may approve another plan of allocation, without further notice to Class Members.

The objective of the Plan of Allocation is to equitably distribute the Net Settlement Fund among Authorized Claimants based on their respective alleged economic losses as a result of the alleged fraud, as opposed to losses caused by market- or industry-wide factors, or Company-specific factors unrelated to the alleged fraud. The Claims Administrator shall be responsible for making administrative determinations, subject to review by the District Court, regarding whether claimants' transactions qualify for payments from the Net Settlement Fund pursuant to the terms of the Stipulation. The Claims Administrator shall determine each Authorized Claimant's share of the Net Settlement Fund based upon the Recognized Loss formulas described below. A Recognized Loss will be calculated for each share of FCA common stock purchased on a U.S. Exchange or in a transaction in the U.S. during the Class Period. The calculation of Recognized Loss will depend upon several factors, including when the shares were purchased or otherwise acquired during the Class Period, and in what amounts, and whether those shares were sold, and if sold, when they were sold, and for what amounts. The Recognized Loss is not intended to estimate the amount a Class Member might have been able to recover after a trial, nor to estimate the amount that will be paid to Authorized Claimants pursuant to the Settlement. The Recognized Loss is the basis upon which the Net Settlement Fund will be proportionately allocated to the Authorized Claimants. The Claims Administrator will use its best efforts to administer and distribute the Net Settlement Fund to the extent that it is equitably and economically feasible.

The Plan of Allocation was created by Plaintiffs with the assistance of a consulting damages expert, and reflects the assumption that the price of FCA common stock was artificially inflated throughout the Class Period. Defendants had no role in calculating the estimated alleged artificial inflation, and do not concede that any such artificial inflation existed. The estimated alleged artificial inflation in the

price of FCA common stock during the Class Period is reflected in Table 1 below. The computation of the estimated alleged artificial inflation in the price of the shares during the Class Period is based on certain misrepresentations alleged by Plaintiffs and the price change in the shares, net of market- and industry-wide factors, in reaction to the public announcements that allegedly corrected the misrepresentations alleged by Plaintiffs.

Federal securities laws allow investors to recover for losses caused by disclosures which corrected the defendants' previous misleading statements or omissions. Thus, in order to have been damaged by the alleged violations of the federal securities laws, FCA common stock purchased on a U.S. Exchange or in a transaction in the U.S. during the Class Period must have been held during a period of time in which the price of the shares declined due to the disclosure of information which corrected an allegedly misleading statement or omission. Plaintiffs and Class Counsel have determined that such price declines occurred on: July 27, 2015; October 28, 2015; May 23, 2016; January 12, 2017; February 6, 2017; February 7, 2017; and May 23, 2017 (the "Corrective Disclosure Dates"). Accordingly, if a share of FCA common stock was sold before July 27, 2015 (the earliest Corrective Disclosure Date), the Recognized Loss for that share is \$0.00, and any loss suffered is not compensable under the federal securities laws. Likewise, if a share of FCA common stock was both purchased and subsequently sold between two consecutive Corrective Disclosure Dates, the Recognized Loss for that share is \$0.00.

The "90-day look back" provision of the Private Securities Litigation Reform Act of 1995 ("PSLRA") is incorporated into the calculation of the Recognized Loss for FCA common stock. The limitations on the calculation of the Recognized Loss imposed by the PSLRA are applied such that losses on shares purchased during the

Class Period and held as of the close of the 90-day period subsequent to the Class Period (the “90-Day Lookback Period”) cannot exceed the difference between the purchase price paid for such shares and the average price of FCA common stock during the 90-Day Lookback Period. The Recognized Loss on FCA common stock purchased during the Class Period and sold during the 90-Day Lookback Period cannot exceed the difference between the purchase price paid for such shares and the rolling average price of FCA common stock during the portion of the 90-Day Lookback Period elapsed as of the date of sale.⁵

In the calculations below, all purchase and sale prices shall exclude any fees, taxes, commissions or other adjustments. If a Recognized Loss amount is calculated to be a negative number, that Recognized Loss shall be set to zero (\$0.00). Any transactions in FCA common stock executed outside of regular trading hours for the U.S. financial markets shall be deemed to have occurred during the next regular trading session.

Calculation of Recognized Loss Per FCA Security

For each share of FCA common stock purchased or otherwise acquired during the Class Period (i.e., October 13, 2014 through May 23, 2017, both dates inclusive), the Recognized Loss per share shall be calculated as follows:

- i. For each share purchased during the Class Period that was sold prior to July 27, 2015, the Recognized Loss per share is \$0.
- ii. For each share purchased during the Class Period that was subsequently sold during the period July 27, 2015 through May 23, 2017, both dates inclusive, the Recognized Loss per share is equal to the price inflation on the date of purchase as appears in Table 1 above, *minus* the price inflation on the date of sale as appears in Table 1 above.
- iii. For each share purchased during the Class Period that was subsequently sold during the period May 24, 2017 through August 21, 2017, both dates inclusive (*i.e.*, the 90-Day

⁵ For purposes of applying the “90-day look back” provision of the PSLRA to FCA common stock acquired in the merger between Fiat S.p.A. and Chrysler Group LLC, the purchase price paid for such stock shall be \$9.00, which is the opening price of FCA common stock on October 13, 2014, the start of the Class Period.

Lookback Period), the Recognized Loss per share is equal to *the lesser of*:

- a. price inflation on the date of purchase as appears in Table 1 above; or
 - b. the purchase price paid for such stock *minus* the “90-Day Lookback Value” on the date of sale as appears in Table 2 below.
- iv. For each share purchased during the Class Period and still held as of the close of trading on August 21, 2017, the Recognized Loss per share is *the lesser of*:
- a. price inflation on the date of purchase as appears in Table 1 above; or
 - b. the purchase price paid for such stock *minus* the average closing price for the FCA common stock during the 90-Day Lookback Period, which is \$11.41.

INSTRUCTIONS APPLICABLE TO ALL CLAIMANTS

The payment you receive will reflect your proportionate share of the Net Settlement Fund. Such payment will depend on the number of eligible shares that participate in the Settlement, and when those shares were purchased and sold. The number of claimants who send in claims varies widely from case to case.

A purchase or sale of FCA common stock shall be deemed to have occurred on the “contract” or “trade” date as opposed to the “settlement” or “payment” date.

Acquisition by Gift, Inheritance, or Operation of Law: If a Class Member acquired FCA common stock during the Class Period by way of gift, inheritance or operation of law, such a claim will be computed by using the date and price of the original purchase and not the date and price of transfer.

FCA common stock acquired during the Class Period (in a transaction in the U.S.) in connection with a stock offering by FCA, or in connection with a redemption/exchange/conversion/exercise of another security of FCA is deemed a purchase of FCA common stock.

FCA common stock acquired in connection with the October 12, 2014 cross-border merger of Fiat S.p.A. with and into its wholly-owned subsidiary Fiat Investments N.V., which was renamed Fiat Chrysler Automobiles N.V. upon effectiveness of the merger, is deemed a purchase of FCA common stock as of the first day of the Class Period.

Notwithstanding any of the above, receipt of FCA common stock during the Class Period in exchange for securities of any other corporation or entity shall not be deemed a purchase or sale of FCA common stock.

The first-in-first-out (“FIFO”) basis will be applied to purchases and sales. Sales will be matched in chronological order, by trade date, first against FCA common stock held as of the close of trading on October 12, 2014 (the last day before the Class Period begins) and then against the purchases of FCA common stock during the Class Period.

The date of covering a “short sale” is deemed to be the date of purchase of FCA common stock. The date of a “short sale” is deemed to be the date of sale of FCA common stock. In accordance with the Plan of Allocation, however, the Recognized Loss on “short sales” is zero. In the event that a claimant has an opening short position in FCA common stock, the earliest Class Period purchases shall be matched against such opening short position and not be entitled to a recovery until that short position is fully covered.

Payment according to the Plan of Allocation will be deemed conclusive against all Authorized Claimants. A Recognized Loss will be calculated as defined herein and cannot be less than zero. The Claims Administrator shall allocate to each Authorized Claimant a *pro rata* share of the Net Settlement Fund based on his, her, or its Recognized Loss as compared to the total Recognized Losses of all Authorized Claimants. No distribution will be made to Authorized Claimants who would otherwise receive a distribution of less than \$10.00.

Class Members who do not submit acceptable Proofs of Claim will not share in the Settlement proceeds. The Settlement Stipulation and the Order and Final Judgment dismissing this Action will nevertheless bind Class Members who do not submit a request for exclusion or submit an acceptable Proof of Claim.

Please contact the Claims Administrator or Class Counsel if you disagree with any determinations made by the Claims Administrator regarding your Proof of Claim. If you are unsatisfied with the determinations, you may ask the Court, which retains jurisdiction over all Class Members and the claims-administration process, to decide the issue by submitting a written request.

Defendants, their respective counsel, and all other Released Parties will have no responsibility or liability whatsoever for the investment of the Settlement Fund, the distribution of the Net Settlement Fund, the Plan of Allocation, or the payment of any claim. Plaintiffs and Class Counsel likewise will have no liability for their reasonable efforts to execute, administer, and distribute the Settlement.

Distributions will be made to Authorized Claimants after all claims have been processed and after the Court has finally approved the Settlement. If any funds remain in the Net Settlement Fund by reason of uncashed distribution checks or otherwise, then, after the Claims Administrator has made reasonable and diligent efforts to have Settlement Class Members who are entitled to participate in the distribution of the Net Settlement Fund cash their distributions, any balance remaining in the Net Settlement Fund after at least three (3) months after the initial distribution of such funds will be used in the following fashion: (a) first, to pay any amounts mistakenly omitted from the initial disbursement; (b) second, to pay any additional settlement administration fees, costs, and expenses, including those of

Class Counsel as may be approved by the Court; and (c) finally, to make a second distribution to claimants who cashed their checks from the initial distribution and who would receive at least \$10.00, after payment of the estimated costs, expenses, or fees to be incurred in administering the Net Settlement Fund and in making this second distribution, if such second distribution is economically feasible.
