**COMPLAINT FOR VIOLATION OF THE SECURITIES EXCHANGE ACT OF 1934**

Plaintiff, by his undersigned attorneys, for this complaint against defendants, alleges upon personal knowledge with respect to himself, and upon information and belief based upon, *inter alia*, the investigation of counsel as to all other allegations herein, as follows:

**NATURE OF THE ACTION**

1. This action stems from a proposed transaction announced on February 20, 2020 (the “Proposed Transaction”), pursuant to which Adesto Technologies Corporation (“Adesto” or the “Company”) will be acquired by Dialog Semiconductor plc (“Parent”) and Azara Acquisition Corp. (“Merger Sub,” and together with Parent, “Dialog”).

2. On February 20, 2020, Adesto’s Board of Directors (the “Board” or “Individual Defendants”) caused the Company to enter into an agreement and plan of merger (the “Merger Agreement”) with Dialog. Pursuant to the terms of the Merger Agreement, Adesto’s stockholders will receive \$12.55 in cash for each share of Adesto common stock they own.

3. On March 16, 2020, defendants filed a proxy statement (the “Proxy Statement”) with the United States Securities and Exchange Commission (the “SEC”) in connection with the Proposed Transaction.

4. The Proxy Statement omits material information with respect to the Proposed Transaction, which renders the Proxy Statement false and misleading. Accordingly, plaintiff alleges herein that defendants violated Sections 14(a) and 20(a) of the Securities Exchange Act of 1934 (the “1934 Act”) in connection with the Proxy Statement.

### **JURISDICTION AND VENUE**

5. This Court has jurisdiction over the claims asserted herein pursuant to Section 27 of the 1934 Act because the claims asserted herein arise under Sections 14(a) and 20(a) of the 1934 Act and Rule 14a-9.

6. This Court has jurisdiction over defendants because each defendant is either a corporation that conducts business in and maintains operations within this District, or is an individual with sufficient minimum contacts with this District so as to make the exercise of jurisdiction by this Court permissible under traditional notions of fair play and substantial justice.

7. Venue is proper under 28 U.S.C. § 1391(b) because a substantial portion of the transactions and wrongs complained of herein occurred in this District.

### **PARTIES**

8. Plaintiff is, and has been continuously throughout all times relevant hereto, the owner of Adesto common stock.

9. Defendant Adesto is a Delaware corporation and maintains its principal executive offices at 3600 Peterson Way, Santa Clara, California 95054. Adesto’s common stock is traded on the NASDAQ Global Select Market under the ticker symbol “IOTS.”

10. Defendant Nelson Chan is Chairman of the Board of the Company.

11. Defendant Narbeh Derhacobian is co-founder, President, Chief Executive Officer, and a director of the Company.

12. Defendant Hervé Fages is a director of the Company.

13. Defendant Francis Lee is a director of the Company.

14. Defendant Kevin Palatnik is a director of the Company.

15. Defendant Susan Uthayakumar is a director of the Company.

16. The defendants identified in paragraphs 10 through 15 are collectively referred to herein as the “Individual Defendants.”

### **CLASS ACTION ALLEGATIONS**

17. Plaintiff brings this action as a class action on behalf of himself and the other public stockholders of Adesto (the “Class”). Excluded from the Class are defendants herein and any person, firm, trust, corporation, or other entity related to or affiliated with any defendant.

18. This action is properly maintainable as a class action.

19. The Class is so numerous that joinder of all members is impracticable. As of February 14, 2020, there were approximately 30,512,075 shares of Adesto common stock outstanding, held by hundreds, if not thousands, of individuals and entities scattered throughout the country.

20. Questions of law and fact are common to the Class, including, among others, whether defendants will irreparably harm plaintiff and the other members of the Class if defendants’ conduct complained of herein continues.

21. Plaintiff is committed to prosecuting this action and has retained competent counsel experienced in litigation of this nature. Plaintiff’s claims are typical of the claims of the other

members of the Class and plaintiff has the same interests as the other members of the Class. Accordingly, plaintiff is an adequate representative of the Class and will fairly and adequately protect the interests of the Class.

22. The prosecution of separate actions by individual members of the Class would create the risk of inconsistent or varying adjudications that would establish incompatible standards of conduct for defendants, or adjudications that would, as a practical matter, be dispositive of the interests of individual members of the Class who are not parties to the adjudications or would substantially impair or impede those non-party Class members' ability to protect their interests.

23. Defendants have acted, or refused to act, on grounds generally applicable to the Class as a whole, and are causing injury to the entire Class. Therefore, final injunctive relief on behalf of the Class is appropriate.

### **SUBSTANTIVE ALLEGATIONS**

#### ***Background of the Company and the Proposed Transaction***

24. Adesto is a leading provider of application-specific semiconductors and embedded systems for the Industrial IoT. The Company's technology is used by a broad industrial customer base worldwide.

25. On February 20, 2020, Adesto's Board caused the Company to enter into the Merger Agreement.

26. Pursuant to the terms of the Merger Agreement, Adesto's stockholders will receive \$12.55 in cash for each share of Adesto common stock they own.

27. According to the press release announcing the Proposed Transaction:

Dialog Semiconductor plc (XETRA:DLG), a leading provider of power management, charging, AC/DC power conversion, Wi-Fi and Bluetooth® low energy technology, and Adesto Technologies Corporation ("Adesto") (NASDAQ:IOTS), a leading provider of innovative custom integrated circuits (ICs)

and embedded systems for the Industrial Internet of Things (IIoT) market, today announced they have signed a definitive agreement for Dialog to acquire all outstanding shares of Adesto. . . .

#### Transaction Structure and Terms

Dialog will acquire Adesto for \$12.55 per share in cash, or for approximately \$500 million enterprise value. The deal will be funded from Dialog's balance sheet.

The transaction is expected to be EPS accretive for Dialog within the first calendar year following close. Dialog expects annual cost synergies of approximately \$20 million within the first calendar year of close across the combined company. Dialog also anticipates considerable additional revenue synergies given the complementary nature of the product portfolios and technology. Adesto expects to report FY 2019 revenue of approximately \$118 million and continued revenue growth is anticipated over the next few years.

The transaction is subject to certain regulatory approvals and customary closing conditions and is expected to close in the third quarter of 2020.

The Board of Directors of Adesto has unanimously approved the transaction and recommends that Adesto stockholders vote in favor of the transaction, and directors and executive officers of Adesto have agreed to vote their shares in favor of the transaction.

Hogan Lovells is serving as Dialog's legal counsel, while BMO Capital Markets is serving as financial advisor. Fenwick & West LLP is serving as legal counsel for Adesto, with Cowen & Company, LLC serving as financial advisor.

#### ***The Proxy Statement Omits Material Information, Rendering It False and Misleading***

28. Defendants filed the Proxy Statement with the SEC in connection with the Proposed Transaction.

29. As set forth below, the Proxy Statement omits material information with respect to the Proposed Transaction, which renders the Proxy Statement false and misleading.

30. The Proxy Statement omits material information regarding the analyses performed by the Company's financial advisor in connection with the Proposed Transaction, Cowen and Company, LLC ("Cowen").

31. With respect to Cowen's Analysis of Selected Publicly Traded Companies, the Proxy Statement fails to disclose the individual multiples and metrics for the companies observed by Cowen in the analysis.

32. With respect to Cowen's Analysis of Selected Transactions, the Proxy Statement fails to disclose the individual multiples and metrics for the transactions observed by Cowen in the analysis.

33. With respect to Cowen's Discounted Cash Flow Analysis, the Proxy Statement fails to disclose: (i) the terminal values of Adesto; (ii) the individual inputs and assumptions underlying the discount rates ranging from 13.5% to 15.5% and the range of perpetuity growth rates of 8.3% to 11.0%; and (iii) Cowen's basis for utilizing terminal multiples of Adesto's forecasted Adjusted EBITDA for the calendar year ending December 31, 2025 ranging from 10.0x to 12.0x.

34. With respect to Cowen's price targets analysis, the Proxy Statement fails to disclose: (i) the price targets observed by Cowen in the analysis; and (ii) the sources thereof.

35. When a banker's endorsement of the fairness of a transaction is touted to shareholders, the valuation methods used to arrive at that opinion as well as the key inputs and range of ultimate values generated by those analyses must also be fairly disclosed.

36. The omission of the above-referenced material information renders the Proxy Statement false and misleading, including, *inter alia*, the following sections of the Proxy Statement: (i) Background of the Merger; (ii) Recommendation of our Board and Reasons for the Merger; and (iii) Opinion of Adesto's Financial Advisor.

37. The above-referenced omitted information, if disclosed, would significantly alter the total mix of information available to the Company's stockholders.

**COUNT I**

**Claim for Violation of Section 14(a) of the 1934 Act and Rule 14a-9 Promulgated Thereunder Against the Individual Defendants and Adesto**

38. Plaintiff repeats and realleges the preceding allegations as if fully set forth herein.

39. The Individual Defendants disseminated the false and misleading Proxy Statement, which contained statements that, in violation of Section 14(a) of the 1934 Act and Rule 14a-9, in light of the circumstances under which they were made, omitted to state material facts necessary to make the statements therein not materially false or misleading. Adesto is liable as the issuer of these statements.

40. The Proxy Statement was prepared, reviewed, and/or disseminated by the Individual Defendants. By virtue of their positions within the Company, the Individual Defendants were aware of this information and their duty to disclose this information in the Proxy Statement.

41. The Individual Defendants were at least negligent in filing the Proxy Statement with these materially false and misleading statements.

42. The omissions and false and misleading statements in the Proxy Statement are material in that a reasonable stockholder will consider them important in deciding how to vote on the Proposed Transaction. In addition, a reasonable investor will view a full and accurate disclosure as significantly altering the total mix of information made available in the Proxy Statement and in other information reasonably available to stockholders.

43. The Proxy Statement is an essential link in causing plaintiff and the Company's stockholders to approve the Proposed Transaction.

44. By reason of the foregoing, defendants violated Section 14(a) of the 1934 Act and Rule 14a-9 promulgated thereunder.

45. Because of the false and misleading statements in the Proxy Statement, plaintiff and the Class are threatened with irreparable harm.

## **COUNT II**

### **Claim for Violation of Section 20(a) of the 1934 Act Against the Individual Defendants**

46. Plaintiff repeats and realleges the preceding allegations as if fully set forth herein.

47. The Individual Defendants acted as controlling persons of Adesto within the meaning of Section 20(a) of the 1934 Act as alleged herein. By virtue of their positions as officers and/or directors of Adesto and participation in and/or awareness of the Company's operations and/or intimate knowledge of the false statements contained in the Proxy Statement, they had the power to influence and control and did influence and control, directly or indirectly, the decision making of the Company, including the content and dissemination of the various statements that plaintiff contends are false and misleading.

48. Each of the Individual Defendants was provided with or had unlimited access to copies of the Proxy Statement alleged by plaintiff to be misleading prior to and/or shortly after these statements were issued and had the ability to prevent the issuance of the statements or cause them to be corrected.

49. In particular, each of the Individual Defendants had direct and supervisory involvement in the day-to-day operations of the Company, and, therefore, is presumed to have had the power to control and influence the particular transactions giving rise to the violations as alleged herein, and exercised the same. The Proxy Statement contains the unanimous recommendation of the Individual Defendants to approve the Proposed Transaction. They were thus directly involved in the making of the Proxy Statement.

50. By virtue of the foregoing, the Individual Defendants violated Section 20(a) of the 1934 Act.

51. As set forth above, the Individual Defendants had the ability to exercise control over and did control a person or persons who have each violated Section 14(a) of the 1934 Act and Rule 14a-9, by their acts and omissions as alleged herein. By virtue of their positions as controlling persons, these defendants are liable pursuant to Section 20(a) of the 1934 Act. As a direct and proximate result of defendants' conduct, plaintiff and the Class are threatened with irreparable harm.

**PRAYER FOR RELIEF**

**WHEREFORE**, plaintiff prays for judgment and relief as follows:

- A. Preliminarily and permanently enjoining defendants and all persons acting in concert with them from proceeding with, consummating, or closing the Proposed Transaction;
- B. In the event defendants consummate the Proposed Transaction, rescinding it and setting it aside or awarding rescissory damages;
- C. Directing the Individual Defendants to disseminate a Proxy Statement that does not contain any untrue statements of material fact and that states all material facts required in it or necessary to make the statements contained therein not misleading;
- D. Declaring that defendants violated Sections 14(a) and/or 20(a) of the 1934 Act, as well as Rule 14a-9 promulgated thereunder;
- E. Awarding plaintiff the costs of this action, including reasonable allowance for plaintiff's attorneys' and experts' fees; and
- F. Granting such other and further relief as this Court may deem just and proper.

**JURY DEMAND**

Plaintiff hereby requests a trial by jury on all issues so triable.
